2019 FAÇADE IMPROVEMENT GRANT

January 2019

Dear Main Street Orion Member,

As a member of Main Street Orion and a business owner, you have the opportunity to apply for a Façade Improvement Grant. This year's grant money has been generously donated from the Wyman Coulter Trust.

This grant is being offered for the thirteenth consecutive year and can be used to help pay for exterior improvements on business buildings. The grant is a 40/60 grant with Main Street Orion paying 40% of the costs (up to \$2,500) and the business owner paying the remainder. Examples of exterior improvements would be lighting, awnings, signage, painting, etc.

In order to apply for this grant, please fill out the enclosed application and mail it to Main Street Orion, PO Box 693, Orion, IL 61273. Members of the Design Committee will review the applications and decide which businesses will receive the awards this year. The grant funding will be provided at the completion of the project.

Applications will be reviewed and awarded as they are received. All applications will be considered until all of the 2019 money has been awarded.

Thank you for your continued support.
